

Training Year 2012

Subject: Superpave Asphalt Plant Advanced Technician Training Course
5 Days Hands on Training from Stockpiles to Asphalt Binder Grading, to Complete Superpave Mix Design. This five day course is designed to also introduce the new Superpave specification changes, quality control trouble shooting and Level 2 certification.

Thomas Bennert, Supervisor of the Rutgers Asphalt Pavement Laboratory, will be presenting the above course in February of 2012 for HMA suppliers, testing laboratories, contractors, pavement consultants and other interested individuals. This course will prepare you to satisfy the educational requirements for New Jersey Society Asphalt Technologist (NJSAT) Level 2 Certification Program.

WHERE: Rutgers University Asphalt Pavement Laboratory
New Brunswick, NJ

WHEN: Tuesday: February 21 History of Superpave and PG Grading
Friday: February 24 Classroom and Lab – Aggregate Sampling and Testing
Tuesday: February 28 Volumetrics and Gyrotory Compaction
Thursday: March 1 Preparation, Develop and Review the Design – Exam Review
Friday: March 2 Quality Control, Problem Solving & Exam

TIME: 8:00 am to 3:00 pm

FEE: \$1,250.00 For the training course. Fee includes: continental breakfast, lunch and course note book, NJSAT LEVEL 2 certification fee and examination.
Note: A portion of the fee will be forwarded to the NJSAT to pay for certification and first year NJSAT annual dues.

PREREQUISITE: Must be certified as NJSAT Level 1 and have minimum 1 Year asphalt experience.

Please register as soon as possible by completing the information below. For inquiries call Thomas Bennert at 609-213-3312 or email at bennert@rci.rutgers.edu
